Mr. Bart Lunsford

June 5, 1970 - August 23, 2018

William Bart Lunsford, an avid lover of music, animals, and the wide open road, was critically injured in a motorcycle accident on Wednesday, August 15. On August 23, 2018, surrounded by his closest family and the love of his life, he found his final peace. He was forty-eight.

Born June 5, 1970, in Atlanta, Georgia, to Lynda Parker (nee Collier) and Walter Bert Lunsford, Bart was a brilliant, funny man from the very beginning. His friends and loved ones all describe him the same way: he was electric, exciting, energetic, and fun. He could make anything interesting. He was excited about everything. He could always make you laugh. Bart lived larger than life, and almost always at high speed.

He was preceded in death by his father Walter Bert Lunsford, grandparents Walter “Doc” Bailey Lunsford and Elizabeth “Libby” Wilde Lunsford, uncles Joseph Weaver Collier, Jr., and Richard Michael Collier, and grandparents Joseph Weaver Collier and Kathleen “Kitty” Snipes Collier. He is survived on his mother’s side by his loving mother Lynda Parker, step-father Earl Jack Parker, sister Capiz Kathleen Calloway (Forrest), step-brother Matthew

Stanton Parker (Erica), nephew Declan Jack Parker, aunt Valda Collier Bligh, and several cousins. On his father's side, he is survived by his step-mother Brenda Huff Lunsford, sister Brittany Lunsford Kurz (Kevin), and niece Kahlan River Kurz. He is also survived by the great love of his life, Elizabeth "Beth" Lunsford, and his greatest accomplishment and legacy, his son John Lewis.

In lieu of flowers, donations can be made to Shatterproof (www.shatterproof.org), a national nonprofit organization dedicated to ending the devastation addiction causes families, the Coral Restoration Foundation (www.coralrestoration.org), or any other charity that comes to mind when you think of Bart.

Please accept my deepest condolences for the loss of Bart. When I first learned of his accident my family prayed for you and Bart. We know first hand that it is difficult to cope, so it's my prayer that you can find comfort in your favorite colorful memories and from a Bible verse that has helped me because it mentions that pain and death will be done away with - Revelation chapter 21 verse 4. Loving regards - TMB

William and I were so saddened to hear of Bart' s passing. I know how your children are your life, and the challenges that came with that love and caring, make this a difficult time. We only met Bart a few times, but he always made us laugh. Your family is in our prayers and our hearts. We will be with you in spirit.

Dennis and I have know Bart from a very little boy but probably remember him best as an adolescent living in Alabama. Bart was smart and funny and though he stumbled along life's path for a while he was now seeing his life unfurled in all its beauty. Let's remember that Bart as a wonderful young man whom we all loved - may he rest in peace and may his family and friends remember all the good that was in him.
