Tiger you were always my favorite fun Aunt, When I was growing up I always loved to go to your house. You taught me how to drive and so many other things about life. I love and miss you very much. See you again one day, I am your age now the age you went to be with Jesus. I know there was troubled time but no more pain, I hope you know all the good fishing spots for when I arrive. I love and miss you. Kenneth

Minnie,
You were like a sister to me. I know you are in a better place now. All your troubles are now gone. Rest in peace and I will see you again some day. Don't catch all the fish up there, leave me a few girl.

Love,
