Joe has been an integral part of our agency for many many years. While we will miss his expertise to be sure, we will mostly miss his warm nature, patience, and gentle way. Joe was gracious and empathic - and modeled much that I desire for myself. I will miss you Joe. Craig

I am just finding out of your passing. You were such a dear friend. You were always giving me good advice, and always cared to hear the stories of my family. You were always so kind. I'm so sad to hear the news. Rest Easy my wonderful friend.

PS

I worked with Joe briefly and everyone knew how very much Joe loved his family - Family First Always! I know your loss is great and I wanted to share a memory that I hope will bring a small moment of comfort. We had a contest to guess who belonged to the pet. Not only could we guess this was Joe's pet, but I thought Joe & Orvis could win a look-alike contest! Those expressions and smiles - perfect match. Praying for peace and comfort for Joe's family.

Sad to hear of Joe's passing. We had a great time working and playing together for a few years in Houston and Phoenix. He taught me so much about the travel industry. Joe and Peg even put me and my family up for a few weeks when we first moved to Phoenix to work on AXI.

Rest easy friend,
Tom
