Mr. and Mrs. Harman were the generous couple that any neighbor would ever want. Matthew and I would be in their house most of the afternoon because Matthew knows that he will either have a cookie or cracker from them. Although there were plenty of them at home. Matthew would received Christmas, Birthday, Easter, Halloween gifts for the past two years from her since we moved in the new house.

Mr. Harman would always be the person to welcome us when Matthew and I were in front of their door. He would just talk about his hunting days, the story about the deer's head and the turkey on the wall,and all those illnesses both of them had the past few days. Thank you both for the TIME we shared. You both would be in our hearts always. Love from the Youngpairoj family.##imported-begin##Ae S. Youngpairoj##imported-end##

To the Harmon Family,
I am so sorry to hear about your loss. Ms Harmon took wonderful care of our little ones in Church for many years. And she always made the most adorable Christmas gifts as well. She was always so kind, and she will be missed.
Sincerely,
Denise, Paul, Emily and Andy Tso##imported-begin##Denise Tso##imported-end##

So sorry to hear about your mother's death. Phyllis had kept me informed about her recent illness. I wish that I could attend the service but I have to take my sister in law to chemo treatment on Wednesday. I will have you in my prayers and thoughts. I am so sorry. Kat and Clark were always favorites in our family for their funny stories followed by lots of laughter and love.##imported-begin##Mary Ellen Houston Rolan##imported-end##

Gary, Ed and family, I am very sorry for your loss. I can only imagine how hard it would be to lose both of your parents so closely together. Rest assured your mom and dad are TOGETHER again rejoicing. My thoughts and prayers are with you. Debbie##imported-begin##Debbie Toland##imported-end##

Family of Katherine Harmon,

Please accept my sympathy for your loss.

Growing up, my family was a neighbor of the Harmon family. Katherine and Clark were friends.
