“ David was one of our best mechanics and part of the original team at Ace Parker Tires in Sumter SC. He always made the time every year to stop by and visit us during the holidays and we will surely miss that time we had to catch up. He was a true friend and will sadly be missed by us all.
We will always carry the memories of him with us. Our thoughts and prayers go out to his family at this time.

“ David was my tire and brakes guy, but more than that, he was my friend. He served David Campbell, and then Joel Lanham, with loyalty unsurpassed. And he and Michelle let me into their lives. We talked about more than tires—we shared our struggles, our difficulties, and we were reminded together of God’s grace. I’ll never forget the day David told me about Joel’s passing. We encouraged each other on that sad day when our tears came easily. David loved his work, and he loved people. He spoke often of Michelle and his family. My heart goes out to all of you. Your David was a huge blessing in my life, and I already miss him terribly.

“ David was a real unique guy. I grew to know him well over the last 10 years or so as we worked closely together within the Campbell Tire organization. David had so much knowledge about tires and any automotive mechanical repairs, and equipment, too. it was crazy. There just wasn't much he didn't know how to fix, and if he didn't know he would find a way to figure it out. He was very dedicated to his job and his family and he seemed to always be at work from opening to close. David will be greatly missed by me and his many friends and my prayers now are for his family, that God will give them peace and comfort in this time of loss. R.I.P. David...James

“ FOOD, my dad loved food. He loved to talk about it, loved to cook it, loved to eat it, but more than that loved to share it. If he had good food or knew where to get it, he told everyone. That's something we shared, a passion for food, it was what bonded us. Another thing he loved was fast cars. My son Liam is obsessed with cars and loved being able to go to the shop with Gpa on one of our visits, it's one of his fondest memories. I'm deeply sad that we will not have an opportunity to do more of the things we shared and loved. He is gone way too soon and will be deeply missed by those who love him.

Mournfully,

His beloved daughter, Jessica

“ I was one of David Campbell's first customer's when he opened his tire store. When Campbell hired Geddings their was a bond formed that all employer's should have with their employees. From that first purchase, I have only bought one tire away from Campbell's. It was not long after David was aboard I had to have a set of tires. Campbell was at the counter and Geddings was in the shop. I by passed Campbell to get Geddings to sell me my tires. After the tires were being mounted Campbell came to me with David at my side and told me to not forget who owned this store. David and I laughed at Campbell as he walked away. For 30 years David took care of my tire needs. A tell it I like it is kind of guy, knowledgeable, customer service driven and cut you down to the core in a second and then laugh at me. David and Michele and I have become good friends. Rest in peace big guy... May he attend Michele and their son with Peace, Love, and Grace
