“ Aunt Frances was the most kind, loving and generous woman. She has been a very important part of our family, supporting us through the good times and the worst times. She was always there. She will be greatly missed and our lives won't be the same without her. All our love - Keely, Phillip, Colin & Angel Emery.

“ In my Father's house are many rooms; if it were not so, would I have told you that I go to prepare a place for you? John 12:2

As we remember Fran, may we also look forward to joining her one day. She has provided us all an example of faith in the Lord Jesus Christ and a love for His Church. The love that she has given to her family and friends is indeed the love that she obtained from her Savior.

There is no greater accomplishment in life than to point your family and friends to the loving arms of Jesus. And she has indeed pointed the way so that we may follow.

Always in our prayers,

“ My Deepest Sympathy to her family. We will miss Fran very much. Always kind and generous, a lady of great faith. We will miss your lovely smile and sense of humour. We loved it when she brought her grandkids to help out at the Pro-Life functions. She was so very proud of them and of her children. My thoughts and prayers are with you all.

“ Frances was a wonderful and kind woman who was easy to talk to and who cared about others greatly, and I believe that extended especially to the unborn. I will miss hearing her voice at pro-life meetings and seeing her at Church.

“ Frances was my dear friend and roommate every time we went to the Shrine in Alabama. She had a big heart, was very generous and funny, always ready to help and very knowledgeable about health foods and supplements. I will miss her greatly.

“ Fran knew how to get anywhere around Atlanta! She often drove when we went places together. I called her my personal Uber driver! She was one of the most generous people I've ever known. Always quick to help others in any way she could. She loved her faith, her family and her friends. She will be dearly missed.

“ Ohh, where do I begin...1993, traveling to Medjugorje for a very special and spiritual pilgrimage trip that thanks to Frances, we didn't have a dull moment everyday she managed to lose something, her glasses, her money, her passport, her plane ticket to return home ... in reality nothing was ever lost just misplaced Frances was a caring soul.. always making sure everyone had food and water when in gathering or conferences, that everyone was happy and cared for, one who always offered prayers and was genuinely concerned for people's need and their families, generous through and through, volunteer driver for anyone in need, a loving Mother, Wife and Grandmother always thinking and concerned for her family and very knowledgeable of her faith. I could go on and on but I will close by saying, Fran Wilkins was one of a kind. She will be very much missed! Fran my friend, I pray that you are enjoying your eternal reward like you deserve it!

🙏🙏🙏

“ Such a lovely woman with whom you could share your concerns and hopes. She was so thoughtful when I learned that one of my grandchildren would be born with a genetic disorder. She understood that we are all wonderfully and beautifully made. A true pro life apologist!

“ To me, Fran was everyone’s Guardian Angel. Twice in my life during very difficult times, unexpectedly, there she was and she took me under her wing. Both times, she put her plans and needs aside and stayed with me for a couple of hours each time and truly lifted me up. A true example of God’s Love and selfless giving. A bright light always for many. My sincerest condolences to her family on the loss of such a beautiful spirit. Well done His good and faithful servant as you now rest with Him forever. God love you, you will be missed.

“ I just heard the sad news today from an old friend of mine from Marietta. I met Fran in 1994 and she encouraged me to go to Medjugorje, which was wonderful. She drove me to Mother Angelica's shrine in Alabama. She helped me as I was going through a reversion in my faith when I moved to the Atlanta area. I moved away to California in 1997 and unfortunately we kind of lost contact with each other. But I am glad that she befriended me when I moved there and learned much from her example and true faith in Jesus and true devotion to our Blessed Mother.

Rest in Peace, dear sister in Christ. My thoughts and prayers for the family.
