“ My family is privileged to have known George for many years and are saddened to learn of his recent passing ! He and KAren and Scott were like family to us, and the many others who knew them! Our years at SCRA were filled with many good times and Support for the athletic programs that were a part of family life in the \$70s and 80s. He will be missed and him memory will always be with us! Blessings and happy memories for the family - a really good man gained his wings and is resting, breathing easy! With love and prayers for his family!

“ George was such a great man. He was kind and witty and always welcomed me when I would visit the courthouse.

I know he will find my dad in heaven and carry on like they used to together for many years at CCSO. Rest in Peace.

“ George was a very fun person who made friends easily. We shared many good times at the Shrine Club and Temple, on vacations, parades and many late night fried egg sandwiches. He and Karen were always ready to join us, just had to say the word GO. Both Billy & me considered him almost like a brother, loved by many and missed by all who knew him.
