“ Marilyn and I were two cousins of a very special clan (23) who grew up together more as siblings than as cousins. We had so many unforgettable experiences and happy times together, especially at our Grandma's cottage at Clark Lake, Michigan. Marilyn was unique, loving and we always seemed to be laughing. She was such an important part of this group and I can't imagine her not being here with us. We love you Marilyn.

To Patty, EJ, Kevin, Kelly and families, we send our love and prayers. Our world has lost some of its color without Marilyn.

“ We were so sad to hear about Marilyn. We have so many nice memories of Marilyn, Mark and their children all through the OLQM days. Lots of laughter, sporting events, social gatherings and loving times. Our family also talks often about the trip we took together to South Carolina when our children were teens and all the fun we shared. When we think of Marilyn, we think of a very good friend who loved her family and friends and would do anything for them. We never heard Marilyn say anything bad about anyone with the exception of shaking her head with Mark's antics. We loved Marilyn. Take care of yourselves, E.J., Kevin and Kelly. Your memories will bring you comfort. Your mom so loved all of you and your children and always told us how proud she was of you. Love, Jan and Tim and family.
