“ Melanie was thoughtful and generous, and her devotion to Pia was admirable. I will miss our 16-year friendship.

But I will cherish the memories I have of Melanie. We worked together at the same mortgage company years ago. She made working fun. We had great times hosting work events. And even though we wound up going to competing lenders, we stayed in touch over the years. We even attended the Hall County Realtors luncheons together as recently as 2019. She always lit up the room with her energy.

Melanie you are now at peace. Pain free. I know it wasn't easy in the end. You are resting now, with your mom, in heaven. I will miss you.

Your life was a blessing, your memory a treasure
You are loved beyond words and missed beyond measure...

Pia...May the memories of your mama and the love of family surround you and give you strength in the days ahead. Thinking of you....

“ Melanie and I waited tables at LePeep here in Denver when I moved back in 1990's. She and I became friends immediately, just like she does with damn near EVERYONE she ever met! She made every person she interacted with feel like they were the most important person in her life at that moment. I am grateful to say our friendship lasted to this day and I will remember her forever as one of the strongest warriors! Godspeed you beast! I'll see you at the end of the bike race. Love ya!
