“ Nicole was my maid of honor at my wedding back in 2000. she also dated my brother in the late 80's and early 1990's have many memories of her she was a very special person to me. We hadn't been in contact for sometime, but we had that kind of relationship where you could go long periods of time without seeing each other and then we could always pick up our friendship as if no time had passed since we spoke. I regret having missed her memorial service I will grieve her and pray for her soul to be comforted by our Lord in heaven
