“ Tommy was a great help to me while I was researching our family history. Tommy shared memories of spending time with our mutual great grandparents, Charles M. Thomas, Sr. and Lou in West End in Atlanta. I emailed Tommy frequently and he seemed glad to participate.

We always think we have more time than we do, and I wish I had visited Tommy in person since we both lived in Newnan.

Rest In peace and rise in Glory.

Your second cousin,

Charles Mansfield Thomas IV

“ Tommy, dear sweet Tommy. We loved him dearly for he WAS a part of our family. I don't have the many stories my brothers , Chuck and Ed , can tell (or not tell) but I do have wonderful memories of the times I was around when Tommy was present. Especially when he would come to many of our family events (mostly to see our mom , Virginia or Ms Gross as Tommy would say). Tommy will be missed.

“ One of the greatest friends to have ever blessed my life. I met Tom decades ago through Charles “Chuck”Gross and his family, my former husband of almost 20 years. He and his sweet wife Sandy became our closest friends and constant traveling companions and we travelled the world together for many years. Our good times, our adventures, our hilarious stories throughout our life together, I could write a book! Driving a tiny European car on the wrong side of the road in Ireland, our first ever cruise to the Bahamas on a cruise ship with wood decks that burned my bare feet, Tom and Chuck testing their skills at Paradise Island on jet skis and coming back to the beach bruised and battered because the jet skis won! Our first trip to Hawaii and then many more, including flying across an island at night, in a near hurricane and being thrown all over the place and finally asked to get our heads down as Tom said we could kiss it all goodbye. We survived and had loads of fun in Maui. Also later all the trips back and taking my Sister with us to Hawaii. She had the time of her life and made a friend for life in Tom Gonnella. There are so many stories like this, too many to write here. Bermuda, San Juan, California, Virgin Islands, Atlantic City, New York, Canada, Oh Canada, what a trip! The Ski trip that caused us to be rescued just before dark and off the ski slope Sandy and I could not handle and the screaming at our crazy husbands who cheered us on saying, you can do this! I loved this man, this friend, this Father, this Brother, this husband, Grandfather and all that he was to his friends and family. He wanted us all to always be happy, he was devoted to friends and family, I hope there are Golf courses in Heaven, and I will never, ever forget my beloved friend Tommy Gonnella. God Bless Sandy, Jay, Kelly, his grandchildren, his brother and all his precious family. Heaven’s gain and gone too soon. Rest In Peace Sweet Friend. I will always miss you and the wonderful friendship I found in you.

“ I didn't know Tommy as well as most of the posters. I was in the same class as Tommy at Sylvan High School. During our sophomore and junior years Tommy, Bobby McRee (now deceased), Joe Biola and I would play pickup basketball games at Perkerson Elementary school on Brewer Blvd. Lots of fun and good memories. Sorry to hear about Tommy's death.

“ .I am so sorry to hear about Tom. I worked with Tom at G.M. at Lakewood and Doraville plants. Also Tom was the reason I joined the U.S. Marine Reserves in 1970. Also went To Georgia State. Was a great friend and Co-worker. My prayers are with all the family and friends. Roy Rogers

“ I returned to Sylvan Hills in the summer of 1962 and met Tommy. We began our junior year together at Sylvan Hills High School and we were in the same home room. Since we were seated by last name, Tommy sat in front of me and we always disrupted Mrs. Davis home room. Tommy and I ran track together at Sylvan. My parents often rented a cottage on Lake Allatoona and Tommy went with us. It is amazing that we did not drown one night when Tommy and I floated on an air mattress across the lake and back. After we graduated from Sylvan, we traveled different paths. Throughout all those years we always stayed in touch. After I retired in 2001 and came back to Georgia, Paula and I would often get together with Tommy and Sandy for three day weekends. We were soon joined by John and Mary Clendenen. The six of us shared many a weekend together and I often thought how wonderful it was for High School friends to share the twilight years of our lives

together. I will miss you Tommy and I already do.

“ Tommy and I were track mates at Sylvan High. He was a great athlete and person with a tremendous sense of humor. You could not ask for a better teammate. I graduated with Sandy. Tommy and her were the greatest couple. I hate to hear this news and pray for God’s blessing for his family.

“ Tommy and I spent many many hours fishing, camping and sitting around a campfire swapping tall tales. His passing leaves a hole in my heart no one else can fill. Rest In Peace Old Friend.

“ Tommy, Sandy & I used to double date. He was always so sweet & funny. I was fortunate to have spent the afternoon with the two of them a few weeks ago. He took me to lunch & then we ran errands. I laughed so hard. Might have been a best date ever. Would not give anything for what will now be a great memory

“ Such sad news. Tom (Tommy) as he will always be to me was a favorite cousin. We enjoyed reminiscing about the good times we had at family gatherings. I'm so sorry he passed away too quickly since moving to Alpharetta recently, so close by. Rest in peace. Gloria Thomas Colley
