“ We at Golden Rule Hospice want to send our condolences, it was a honor to love and care for Patricia, she was such a joy and loved to have the scriptures and prayers when I visited with her. Please know that you and your family are in our prayers and thoughts.

“ I never had the blessing of personally meeting Mrs.Coleburn but I've heard so many stories from Mark and Randy over the years. Not only did she raise 3 amazing children and numerous grandchildren, but every time her name was mentioned smiles lit up the room or the phone call. I do feel honored to have her stories and memories shared and it is by no random chance that she raised an amazing family and did change the world and many peoples lives for the best.

It's never easy hearing about the loss of a dearly loved one, but I do hope you all find some measure of peace in due time.

Warmly,

Marinos Ballas

“ I grew up living down the street from Joanna. When we were young, I remember how we got on our bikes in the summer and played "City" all day. Joanna was fun and I truly enjoyed our time together. Joanna and I did not keep in touch but I thought about her your family, especially when I came home to visit or saw Candy in church I am happy to read that Joanna had a wonderful personal and professional life. She deserved it.

Candy, Ginny, Elaine, and Paula- I think of our childhood fondly as I think about each of you! I remember the family you and I have lost prior to this sad time. I say prayers for them.. God bless each of you and may he provide you with peace at this difficult time.

Joanna rest well. Your memory is a blessing.

Sending good thoughts and my deepest sympathy,

Mary Mino

“ Dear Coleburn family, I know this is a sad time of grieving for you but also find JOY in the fact that Pat knew and loved her Saviour Jesus Christ! She was a fine lady and everyone who knew her. loved her, and she will be missed.

It is my prayer that your faith and grace will be sufficient to comfort you and grant you peace during this time.
