

Mr. Ronald G. Croft

December 2, 1958 - August 3, 2019

Ronald Gregory Croft of Roswell, Georgia passed away on August 3rd, 2019, at the age of 60.

Ron was born in Marietta, Georgia on December 2nd, 1958, to Willie Roy and Kathryn Croft. He held a BS in Electrical Engineering from the Southern Technical Institute and recently retired from the Defense Contract Management Agency after 36 years of service to play more golf and travel. Ron was an avid fan of our Atlanta sports teams and rarely missed a Braves home opener. He loved live music and would gladly expound on the merits of progressive rock. Ron was a proud and loving husband and father and blessed with many good friends. He was kind, dedicated, reliable; he was quick to laugh, to joke, to find an answer, to lend a helping hand. For these core qualities, he is much loved and cherished by his friends and family. Like a lighthouse, he'll continue to stand, a strong and reassuring presence in the lives of those he loved.

He is survived by his wife Karen (Sheffield); daughters Megan Croft, Jillian and Paula Cicio; his mother Kathryn Croft; brother Michael (BeverLee) Croft; nephews Stephen and Jonathan Croft and Andrew Sheffield; nieces Kathryn Tieman and Sara Rogovin; great-nephews Henry Croft, Charles and Samuel Tieman; and great-niece Beatrice Croft.

Visitation will be held on Wednesday, August 7th, at 1pm followed by a Memorial Service at 2pm at Northside Chapel Funeral Home in Roswell.

In lieu of flowers, memorials may be made to the Georgia Ensemble Theater (get.org or P.O. Box 607, Roswell, GA 30077).

“ Boo Boo you were like a big brother to me when we lived next door to you in Smyrna and Marietta. I am so happy you got to meet and hear my son. When he told me Boo Boo said hi, I knew exactly who it was. Prayers for your family in the coming days.

“ Ron was a colleague at DCMA, though I never had the opportunity to work with him directly. He always spoke and says hello whenever you run into him. Always quiet and never had any issue with anyone. I remembered having a conversation with him when he was about to retire, we chatted for a bit and he was excited and was looking forward to spending his retirement years with his family. RIP Ron, we are pray for your loved ones during this difficult time!

“ Not so long ago, we were walking and talking at DCMA Atlanta. I asked him what he planned to do with his days of retirement and he acknowledged that he wanted to get some good games of golf in. We talked about various courses around in the area. My heart-felt sympathy to Ron's loved ones.
