He completed his military service in the Air National Guard.

Sam graduated with a BS degree from Auburn University and was employed by AT&T for 35 years. much as possible after their retirements. Sam was known to all his friends as gentle, kind, and caring, with a great sense of humor. He will be missed by all who knew him!

A celebration of life service will be held at a future date. If you wish to make a memorial donation, it may be given to St. Jude's Research Hospital or to the charity of your choice

“ That was so wonderful. I remember all the great times we had together especially at the beach at the Hangout in Panama City spending the many nights on the beach and having the girls to feed us.in 1955 SCB went on strike and Sam ,Bobby and I were the only 3 that stayed out the whole 6 weeks and spent the hold time on the beach in Panama beach and Frank Randolph would call all the time to come back to work but we just borrowed money from Telco Credit Union and life it up. Sam was always the best between Bobby and me so we made him keep us out of trouble. He was a great man and was like a brother to me and will always be that way even though he's in a better place. I will always be so sorry I couldn't be at y'all's wedding but the old Army had me tied up for 2 years.the good thing about all of this is I have some of the best Memories of how much fun we had and how much we carried for each other ALWAYS AND FOREVER

“ What a wonderful video of the picture of Sam and the familys' life! He was always the perfect gentleman, and though I only met him in later years, I wish I had known him before. My love and sorrow goes out to Helen, and the boys.
