

Teresa L. (Zummo) Humphrey

August 23, 1953 - August 9, 2020

Teresa L. (Zummo) Humphrey, age 66 of Alpharetta, GA formerly of Dayton, OH, passed away Sunday, August 9, 2020. Teresa was the daughter of the late Ann Kuntz Zummo and Thomas Joseph Zummo of Dayton, Ohio. Teresa was an artist in all aspects of her life. She was a musical songbird, and both wrote lyrics and sang in the band Zummo in the early 80's in Dayton. Her voice was strong and beautiful, truly powerful. She was an incredible empath, bringing solace to many who brought their difficulties in life to her. She listened intently; she gave good advice and believed in an afterlife for those who have passed on. She had a strong metaphysical belief and surrounded herself with beautiful crystals for physical healing, mental healing and emotional healing both for herself and others. She was a gentle soul who always led with Love and believed Love was the only answer. She practiced this every day of her life. She was preceded in death by her parents, her brother Taz Zummo, her son Demetrious Kilavos, her niece Amy Zummo. She is survived by her life-long partner and husband of 40 years, Steve Humphrey, her loving daughter Hayley Humphrey, sisters Meg Zummo & her husband Ken Reynolds, and Annie Zummo, her sister-in-laws Susan & her husband Jim Hackbarth, Michele and Bernadette Humphrey- Nicol, nieces Emily Zummo, Mia and Lilia Topalian, Ashley, Chrissy and Jamie Hackbarth and nephew Nicholas Bellanc as well as the bright light in her life, grandchildren Connor Jacob Kilavos and Kiera Kilavos. Memorial service will be 2PM, Saturday, August 22, 2020 in the chapel with visitation from 12PM to 2PM at Northside Chapel Funeral Directors and Crematory, 12050 Crabapple Road, Roswell, Georgia 30040. 770-645-1414. “ Oh Wow. I am so sorry to discover this. After your Linked in message I started googling our common past Steve from the days of Stonehenge. I was shocked to learn of Tommy's passing, and then I found this notice. I am so sad for you and your family. I will be praying for you and after some time connect with you per your message. I remember Theresa was a very positive lady. I have fond memories of her. And Tommy. God bless.

“ I met Teresa several years ago when she studied psychic development in a class taught by Carl Woodall and me. What an honor and a privilege it was to know her. Teresa had one of the most beautiful souls of anyone I have ever met. She truly was like an angel on earth. Although we had not talked in quite a while, I have thought of her many times over the years, remembering the lovely and often meaningful conversations we shared. In fact, just recently, I had thought about calling her. How I wish I had! I loved Teresa and will miss her. But I know she is in a beautiful place with her loved ones who preceded her into the spirit world, most especially her son, whom I know she missed terribly. My thoughts and prayers go to her family at this very difficult time. Anyone who was fortunate enough to meet Teresa knows she was all about love, family and friends. The world was a better place with her in it, and everyone who knew her felt her love. May you rest in peace, beautiful Teresa.

“ Deep condolences to Steve and his family for this loss. Words cannot assuage the anguish the loved ones must be going through over the loss of such a good natured person. I pray they find the strength to bear this pain and grief with fortitude. I met Teresa only once, at a dinner with Steve and what struck me immediately was the strength of her inner convictions and the absolute certainty about how one should lead a life - with love, compassion and gratitude. She seemed to operate from a different center , a center that was in tune with the cosmos, a center that could sense the movement of even a blade of grass. Death wouldn't have rattled her composure. She knew where she was going. I join everyone in our prayers for the bereaving family, and wish Teresa a rest and peace she so richly deserved.

“ My thoughts and prayers are with the Humphrey family. Teresa and I shared many wonderful lunches together. Teresa was all about her family and loved each of you so much! When Teresa would talk about her family her eyes would just light up with love. I never will forget one day at lunch Teresa pulled a big mirror out of her purse and said my daughter (Hayley) hates when I do this and I just started laughing. Teresa always wanted to make sure her make up and hair was perfect for the day. Teresa always looked beautiful and is a true earth Angel. Teresa's spirit will always be with each of you! Teresa had a spirit as big as the Universe. Watch, listen and look for the signs from Teresa. I can promise you, you will be hearing from her. Teresa is now singing and dancing in Heaven with her son whom she spoke about often and missed so much!
Teresa has a beautiful soul. I will miss you my soul sister!
