“ From Bill’s obit: “Lifelong friendships, chess matches by the lake, and countless evenings at the cottage with good friends and family will be the memories cherished by all.”

These are my cherished memories as well. Bill loved games. When i was a little kid he was my first hockey coach. He sent us a newsletter each week - Bruins Briefs - with stats and highlights from the games and the season. As teenagers w would sit at his kitchen table in Boxford and duke it out in epic Monopoly games. Teenagers. Imagine that, today. Bill wheeled and dealed. No boring allowed. He would offer ridiculously lopsided property trades. I'll give you a utility and a railroad for your Park Place. Come on! It's a great deal. He never missed ome of Kevin's or our soccer game. He backed the teams and all of us.

At Thompson Lake in Maine it was games from dawn until you dragged yourself to bed. A morning ski, tennis matches, a swim, volleyball, yahtzee, cribbage, an evening ski, scrabble and on and on. When he took you tubing he thrashed you, wit his big, often toothless grin in the boat the whole way. Bill made life fun for a bunch of kids.

Bill Fortey was a gift for me. Definitely miss Bill and Pat and will cherish all of those memories. My deepest condolences to Kevin, Mike, Doreen and their families and to all who knew and loved Bill.
