“ We were together for Homeroom in the Home Economics Department for three years at Ashland High School and enjoyed our daily get ready for school. My wife Pam Conley Layman and I enjoyed seeing Pete at the Louisville Slugger Exhibit in Orlando several years ago. We are very sorry for your loss.##imported-begin##Joseph P. Layman##imported-end##

“ Linda, you've probably never heard of me, but I knew Pete quite well in high school. His mother always had my signs in her yard when I ran for public office and I talked to her frequently. Pete was a great guy (and great trombone player!) and I know all of you miss him terribly. You are in our prayers.##imported-begin##Dr. Rudy Dunnigan##imported-end##

“ *Susan and Family,
My deepest condolences for your loss. I considered Pete a mentor from the very first day I met him at the 1998 Louisville Slugger sales meeting in California. I was brand new to the company and he welcomed me with open arms. He took time away from catching up with his long time friends on the sales force to introduce me to as many people as he could. His time and effort to make me feel comfortable with in my new job is something I will carry throughout the rest of my life. He was a good friend and I will miss his wonderful outlook on life. My family and I will pray for you as you mourn his loss. Thank you for sharing him with me for these 12 years. I will miss him very much.*
