“ *Aaron was a great friend. Me and Aaron hung out for 4 years straight back in high school and after we graduated. I'm talking about every day. Aaron would talk to anyone and give you the shirt off his back. We'll miss you boss*

“ *"The Night Is Young" Aaron and I would say to each other as a greeting, we came across this saying years ago maybe 15-20 yrs. It was always to make each of us laugh. Aaron was a very friendly personable guy and I admired him for that. He'd think nothing of going up to anyone and strike up a conversation as though they knew each other for years. A bunch of us were at a Weird Al concert Yes Weird Al and he saw Gregory Hines there and fearlessly went to ask for his autograph where none of us would. There are countless interactions like that over the years. Anyone can misstep my friend we all loved you very much and will miss you.*

*Sending all my love to the Lawton Family
