“ Can I just say exactly what a rielf to get somebody who really knows what theyre referring to on the net. You definitely learn how to bring an problem to light and make it crucial. A lot more and far more people really should have a look at this and see why side in the story. I cant believe youre less popular because you undoubtely hold the gift.##imported-begin##Ton##imported-end##

“ Akshay - we met you once and although brief we enjoyed our time together. I will miss our future conversations about technology, an interest we both shared.I will never forget when I first saw you, I thought, man you could be a line backer in football you are a giant! maybe the first in our family to play sports. Although unfairly short, it seemed that you lived life to the fullest. We will remember you with great fondness.
God bless
