“ *To the family you have my deepest sympathy. To out live your child is one of the hardest things to endure as a parent. To Jen and Chantel always remember the good times and forget past regrets. Look to your children and see the greatest gifts your live with Alex could have ever created. To the Latour babies, I know this will be hard for a while but time and live from family and friends will ease the pain. May the heavenly father bless and keep all left behind.##imported-begin##Teresa Butler-Stokley (Brooklyn)##imported-end##*

“ *I had the pleasure of working with Alex on one rather long case right before he left for Washington. I have rarely encountered any agent who was more willing to do whatever was required to help us complete the team's work. He was stuck with a difficult, thankless task on that case, but he cheerfully managed it, kept us informed of its progress, and responded to all of our many anxious appeals for updates.*

He was consistently a pleasure with whom to work. We can't say that for all of us; even I for myself.##imported-begin##Barbara Ann McIntosh, paralegal USAO Atlanta##imported-end##

“ To Alex's Family, please accept my deepest sympathy for your loss. I worked with Alex at USPS Headquarters for the past two years. Every morning when I walked into the office, I could hear Alex typing away on his keyboard. Our work cubes were located next to each other and we would sometimes forgo cube etiquette and speak to each other over the cubes. I was one of Alex's team members on two of his LSS projects and Alex used to tease me about using my red pen when he asked me to review his work. Alex always wanted his work to be the best. I would compliment Alex and tell him he was doing a great job and he tell me "it was all smoke and mirrors" and we both would start laughing. Alex was a great co-worker and friend. He would always say something to make me laugh. I will truly miss him.##imported-begin##Deborah Eason##imported-end##

“ *To the Family of Alex La Tour,*

Alex was an inspiration for me. He was always so positive, never complained. He seemed to have endless energy, always moving forward, tackling every task, project put before him. He offered me advice and allowed me to work with him on a major project. He also gave me suggestions for passing my exams, this will go along way.

He loved his wife, and four children and glowed when he spoke of them. Always a Georgian, he missed Georgia and couldn't wait to move back. We were just a stop on his way.

Alex will be sorely missed in so many of our hearts here at USPIS National headquarters, Washington DC.

Peace & Blessings to all of the La Tour family.##imported-begin##Tammy M Greene##imported-end##

My deepest, heartfelt condolence goes out to the entire La Tour family, most especially to his children that he spoke often about with so much abundant love. Rest in peace my friend.
