“ *MIKE AND KIM AND RAYMOND, I will Pray for all of you in this time of grief and ask God to comfort you all. I do agree with the previous poster, "The Gunter Family has been and will always be some of the most caring and special people I have ever known." Mike, you prayed for me on several occasions as I will be doing for you during this time. Good people it seems, always gather together and I am sure, although I never met her, she was a fine Lady! May God go with you, shield guide and protect you according to his will.*

“ *The Gunter Family has been and will always be some of the most caring and special people I have ever known. I've hunted and fished with Alice and the entire family on many occasions. I think Ray would take credit for teaching the boys how to fish, but I think Alice had a lot to do with teaching them to "Follow Jesus and made them Fishers of Men". Good Job Alice-now go enjoy your first Easter with Jesus.*

Love you all, Wade Terrell

“ *What a beautiful lady inside and out. Mrs. Gunter was the ideal mom for all of our crowd growing up; she was soooo young and beautiful. She always acted as though she was one of us and to be honest, we wanted her to be just that. My father was her high school principal and I can remember his saying she was the prettiest girl in school. I do believe she was just as pretty at 81. Our only consolation is she is joining so many other special ones who have gone to make a place for us someday. My love for the family and especially her long time love.*
