

Mrs. Alison Mann Nottage

February 20, 1959 - May 31, 2016

Alison Mann Nottage, 57, passed on May 31, 2016 in the presence of her loving family.

Alison was born in February of 1959 in Madison, Wisconsin to Bernard and Kathlyn Mann. She was the oldest of five children.

Alison was a National Merit Scholar in High School and then earned a full academic scholarship to Florida A & M University in Tallahassee, FL. She graduated Summa Cum Laude with a B.S. in Accounting and Economics in 1981. She was also a member of Alpha Kappa Mu Honor Society. We like to say she was academically advanced but athletically challenged! While at FAMU, Alison met her future husband. On May 30, 1982, Alison married her true love Jeffery Nottage. The evening before her transition home, Alison and Jeff enjoyed their last dance on their 34th anniversary. Alison and Jeff are blessed with one beautiful daughter, Jaclyn Ann Nottage.

Alison had a wonderful life and business career. She began her career at Continental Bank in Chicago in the Corporate Lending Training Program and upon completion she advanced to a Treasury Management Officer. She then went to Banker's Trust in New York in Treasury Management and rose to the position of 2nd V.P. She moved on to Core State Bank in New Jersey as V.P. Once in Atlanta, she used her skills at Bank South as V.P., Bank of America as V.P., and most recently SunTrust as Managing Group V.P.

Alison enjoyed gardening in her very own Nottage Park, watching movies, listening to Christian radio and spending time with family and friends. She spent time involved in organizations that focused on education, community service, Christian outreach, and financial literacy. We all know there are few more things she enjoyed...shopping and jewelry, jewelry, and more jewelry. Alison leaves behind her loving husband of 34 years, Jeffery and her daughter Jaclyn of Alpharetta.

She is survived by her sister Lori (Vince) of Madison, WI, sister Dawn (Brent) of Chicago, IL, brother Bruce of Alpharetta, GA, sister Becky (Darryl) of Madison, WI. She is also survived by her brother-in-law Earl (Sondra) of Miami, FL, sister-in-law Renae (Robyn) of Miami, FL, brother-in-law Samuel (Marsha) of Weston, FL and brother-in-law Darrell of Alpharetta, GA. She has numerous nieces and nephews that will miss her influence greatly: DaJuan, Evan, Alysia, Keith, Eric, Vincent, Ian, Terrence, DJ, Ciera, Kyle, Terrell, Amara, DeLauren, Owen and Terralyn. And her Aunt Dollie of Milwaukee, WI. Alison was preceded in death by her parents Bernard and Kathlyn Mann, her maternal grandparents Alberta McCall and Glenn Fitzgerald, her paternal grandparents Honor and Willie Belle Mann.

Memorable Quote: Measure your life by moments of kindness, not by years.

Alison's Favorite Bible Verse:

Psalm 19:14

Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my Rock and my Redeemer.

The family will receive friends and guests at Northside Chapel Funeral Directors from 5-8 p.m. on Friday June 3rd. Funeral Services will be held Saturday June 4th, 2016 at 1:00pm at Crabapple First Baptist Church.

In Lieu of flowers, contributions can be made to one of the following organizations in Alison's name.

“ *I met Alison on a really cold winter day hiding in a bathroom so we didn't have to go outside for recess. We were in 5th grade and must have thought alike because after that I always thought of her of one of my best friends. I was very awkward and she was so kind, beautiful and bright. I have some old pictures of 5 of us camping on the Wisconsin river. My guess is that camping and canoeing may not have been her thing but we talked her into it and she went along.*

I always regretted losing touch after school, but have thought of her often over the years.

She was one of the kindest people I have ever known. I have missed her for so long that finding that she has passed is breaking my heart. I always hoped to meet up with her again and tell her how much she meant to me when I was young.

“ Prayers, love, and thoughts go out to the family, especially to Jaclyn and Mr. Jeff. Alison was a delight to know and we shared so many birthday and holiday gatherings. She was indeed a kind and thoughtful person - words and deeds. She will be missed, but not forgotten as we have wonderful memories. Much love, the Ashcraft & Griffiths family (Milton GA).

“ Our prayers go out for Alison's family, colleagues, friends and anyone that knew her. It was a pleasure getting to know and working with her through UFSC. Alison was a gentle person. Even in a debate she had a calm, quiet, soft-spoken demeanor.

This picture was taken one year ago in Atlanta while I along with others from UFSC were visiting for our Annual Summit; Adrienne Whitaker, a friend and colleague from their SunTrust days, is in the photo also. Alison was one of our hosts. This was the last time I interacted with her. I had no idea that she was ill. She will be remembered and missed.

“ I had the pleasure of working with Alison at SunTrust Bank for many years. Most of our time together was spent on project work in the Treasury Mgmt Group. I recall many evenings leaving Alison at the office well past quitting-time. However, she never left a task undone. She was a true friend and I will miss her sorely.

“ Alison and I shared a love of gardening. And while busy schedules didn't allow frequent conversations when we did boy did we talk a long time. Visiting each other's gardens, sharing plants and bemoaning the deer that seemed to love our plants and flowers with a passion. I will miss our shared stories, Alison.

“ I have known Alison since her first day of work at Continental Bank of Chicago over 30 years ago, and we have worked together NationsBank and SunTrust. Alison was a friend and mentor sharing sage advice or just one of her contagious smiles. “ Allison was such an amazing person. From the moment we met through Northside's Camp Hope last Spring she was a light. She told of how she loved her husband and daughter so much and how happy they made her feel. I am in shock yet praise God for blessing us with such an amazing woman.

I met both Jeff & Alison during Spring break while visiting my future husband Larry at FAMU. In October of 1989, Jeff & Alison opened their home Larry & I when they lived in Jersey and again to our whole family in the summer of 1983 at their current home in Alpharetta. I am proud and honored to call both friends. Jeff, you were married to a queen. Though we all miss Alison, your and Jacklyn's loss I'm sure is exponentially more. Thoughts, prayers and most importantly, love, from the Owens family.
