“ *Please allow me to offer my condolences to the, Nemesh family, with these comforting words: "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, for these words are faithful and true." - Rev. 21:3-5. This is the hope of the resurrection. I am very sorry for your loss. May God's Word comfort the, Nemesh family and all those who loved, Mrs. Angela. Sincerely, Meryl*

“ *I found Angela through a 10 year old post on the internet looking for her American Candelori relatives. It turned out that her father's cousin, the policeman that carried her outside every day when she was in a cast, was my father's older brother Aldo Candelori. My father was Sam Candelor (dropped the i). Angela put me in touch with our Italian relatives and we had a wonderful time time with them when we vacationed in Abruzzo. Angela and I never met in person, but corresponded through email and snail mail. She was a lovely person always thinking and doing for others. My sincere condolences.*
