

Mrs. Angelica Ariate Sarmiento Bailey

August 31, 1973 - May 6, 2018

Angelica Sarmiento Bailey “Angel”, 44, of Milton, Georgia, passed away May 6th. Her uniquely positive spirit and attitude in living her short life to the fullest translated to the grace, tenacity and dignity that she displayed in her courageous 3 year battle with breast cancer.

Angel was born and raised in San Pablo City, Philippines, graduating from Canossa College. Upon emigrating to the U.S. in 1990, she continued on to receive a Bachelor of Science in Nursing from Seton Hall University. Angel further received a Master of Science degree as a Critical Care Nurse Practitioner (CCNP) from Columbia University. Angel had the privilege of working in the field she loved as a CCNP, forever focused on her patients and their needs best delivered by her quick wit, compassion and care at the bedside. She worked in some of the world’s leading hospitals including Mount Sinai Hospital (New York City, NY), Kaiser Permanente (San Francisco, CA), U.S. Embassy (Singapore), and Miami Valley Hospital (Dayton, OH).

Angel is survived by her husband of 16 years, Brian, her 3 children Amara, Nicholas, and Samuel, Brothers Noel and Numeriano Sarmiento, Sisters Emelita Pesigan, Sally Chironis, Neilla Cortes, Nenette Magpantay, and a devoted number of nieces and nephews. Angel is preceded in death by Mother Nena Ariate Sarmiento, Father Pedro Sarmiento, Brothers Sandro, Pedro Jr., and Pedrito.

The family will receive friends on Tuesday, May 8th, at Northside Chapel Funeral Home, 12050 Crabapple Road, Roswell, GA from 2:00 – 4:00 PM and

6:00 – 9:00 PM. A funeral service and celebration of life will be held on Wednesday, May 9th, at 10:00 AM at St. Thomas Aquinas Catholic Church, 535 Rucker Road, Alpharetta, GA

In lieu of flowers, the family requests that memorial donations in Angel's memory be given to Susan G. Komen Breast Cancer Research (ww5.komen.org/Donate/Donate.html). The family of Angel wishes to thank the team of talented practitioners at Atlanta Cancer Care, Kettering (Ohio) Cancer and Blood Specialists, with special thanks to Northside Cherokee's Intensive Care Unit (ICU) nurses who cared for Angel with empathy, skill and compassion.

“ Brian,
I agree with sean lewandowski, in the short time that I got to know Angel while she was still working at Kaiser San Francisco I fell in love with her personality and her Infectious smile. Anyone who got to call her a friend was truly blessed. She was definitely one of those special person that would leave an impression on everyone that she met. Most of her Kaiser family was together when we heard about the news and as you can imagine we were absolutely devastated. We all sat around and talked about the memories that we had of her in our years of working together. We share laughs and tears. Please know that we are all praying for you your family and her close friends today and moving forward in the days to come.. She truly is an absolute angel and one that will never be forgotten. We will always be her Kaiser family and if you're ever in San Francisco or need anything please reach out to us we would love to see you and her beautiful children.

“ Brian,

My sincerest condolences to your and your beautiful family. Angel was such an amazing person. Truly heartbroken when we heard the news. I was so fortunate to work with her at Kaiser SF. She was one of my preceptors that we became fast friends. Linda, Kim, Gabull and Angel all took me under their wings and guided me in those difficult days. What I remember most about Angel is her compassion and caring for her patients. Her ability to make people laugh in moments of frustration. Her wonderful boisterous and feisty personality. Her warm heart when you needed someone to talk with. I was so sad when she was leaving SF but knew that this was a new adventure for you both. Having the going away party at Puerto Alegre in the Mission. Never losing touch totally with her SF buddies. Both of you returning for Linda and Ari's wedding while she was pregnant with Amara. I adored seeing pictures of you all from Singapore to Scotland to Ohio and Georgia. She was such a wonderful woman. Her strength with this battle just proves to me that she is so much stronger than it. She is an Angel and I know now looking up to the stars she is watching over us all. Her SFNP family wants you to know if you need anything at all please we are here for you all. Love to all of you.

“ Brian and family. Ari and I are so sorry and saddened by your loss and send our condolences. Thank you so much for taking such good care of Angel.

I was so fortunate to spend time with Angel when she was in San Francisco. She was a beautiful person inside and out, so strong, intelligent, kind, and selfless always thinking of others. She was a role model acute care nurse practitioner. I have her to thank as she had me persevere through my early relationship with my now husband of 14 years.

I have so many lovely memories that I will treasure and am so honored to have been part of her life as her friend. May she rest in peace.

Love,
Linda Tanaka

“ *My deepest condolences at the loss of such an amazing woman! She was my preceptor and friend when I first came to Kaiser San Francisco. I will always remember her grace, her beautiful smile, her uncanny humor and her wit, and her ability to light up a room with her charm and her empathy. I'm truly sorry I didn't know her in the last years of her life, but I can only imagine the number of hearts and minds she touched along the way. She will always hold a special place in my heart.*

My eternal sympathy and love will be with her family - her memory will live on in the lives of everyone who knew and loved her, especially her family and friends.

Love eternally,

Eric

“ Brian, I just heard about Angel losing her battle. We’ve had her in our prayers since I’d heard of her fight with cancer. I am so very sorry.

I remember her spirit and the way she invigorated those around her. Just remembered one day when she was mentoring me during orientation at Kaiser. She was preparing for your wedding and her mouth hurt from teeth bleaching. Teased her that she’d glow in the dark. As the memory hit me, it was with a chuckle with the tears.

She was such an incredible spirit. It was an honor to have been a small part of her life.

Our prayers are with you and your family.
