“ *I just recently heard of your families loss. I so remember her beautiful smile. The years we spent playing softball in our much younger years. The heavens have inherited an incredible angel. God bless your family.*

“ *Anita loved from the guts!!! So thankful for the time I was able to spend with her as an MSCA pt. She was bright, cheery, lovingly snarky, and put so many people at ease. Praying for the family that will be missing her, especially that you all would know the peace, comfort, and love of Jesus like never before during this Christmas season.*

“ *I don't know whether Anita was more dedicated to her patients, or her family or her Lord. All I know is that she put herself fourth and never broke stride in serving those she loved. I will miss her care, her smile, her spirit and her friendship.*
