“ *My brother John and I were very fortunate to have Grandma and Grandpa living nearby when we were growing up. Grandma was amazing, and infused the both of us, I think, with a love of the kitchen arts. She was an amazing woman, and filled our early years with joy. Grandmere, you will be missed by us all.##imported-begin##Paul Forest##imported-end##*

“ *Since it's better to remember who the person was that passed, I thought I'd share a few of my favorite memories of Grandma.*

Going grocery shopping, and helping her prepare the Sunday dinner whenever they were in town.

The smell of the TV room at 303 when she was ironing.

The way her and Grandpa would switch to french whenever they wanted to argue without us kids knowing they were swearing.

I'll miss you Grandma, I know you're in a better place now.##imported-begin##John##imported-end##
