“ *Words cannot express our sorrow. Our dear Aunt Ann was so much a part of our lives, her and Uncle Joe. I am so grateful for all the time and all the times we had with her, and especially glad that Ann and Joe got to spend so much quality time with Irma and Mike, who loved them and cherished their friendship.##imported-begin##Mickey and Carrie##imported-end##*

“ *Granny,
There are not enough to words to thank you for teaching our family how to love, how to be strong, how to have faith. You have no idea how much you taught all of us, without even trying.
Thank you for being an amazing mother, which you passed on to my mother. Thank you for being an amazing grandmother, having you in my life has made me better. I love you with all my heart and will cherish the time I had with you.
I love you

“ Aunt Ann was such a good person. Barbie, Mickey J.C. and I are blessed to have had her in our lives. She and Uncle Joe were always in Mike and Irma's lives and it made a difference in a big way. I know she's up there with them now. I'm so terribly sad but I know she's in God's hands.

With love,

Kevin Lydon and Family.##imported-begin##Kevin Lydon##imported-end##

“ Miss Ann always met us with a smile, hug and kiss, you knew it was heart felt by the gleam in her eyes. She and Mr. Joe listened to every detail their children shared about their lives and the lives of their friends. It was so obvious tonight as Mr. Joe greeted each one of us , called us by name and shared a memory of his wonderful wife that included one of us. What an amazing couple! They raised an amazing group of people.

Miss Ann will live on forever because of the family she loved and loved her and how she taught them to love the rest of us.

My family is so honored to be counted amount the friends of Ann Wagner and her family!

Peace be with you all and our love surrounds each of you.

“ *I miss my granny so much already. It was really sad to see her like that Friday. I know she isn't suffering anymore and its resting in heaven. She was the best great granny ever. Every time I would go over there she would tell us all how beautiful/handsome we are. She was my everything. She was so sweet to everyone. She would have those days where she was out of control but that would just make everyone smile. She always had a smile on her face no matter what. I know she is looking down on all of us right now and making sure we are smiling. R.I.P granny. I love and miss you so much, I can't even explain.##imported-begin##Gabby Warren##imported-end##*
