“ *Anne was a wonderful coworker and friend. Although I moved to Colorado and had not seen her for over 25 years, we always kept on on FaceBook. I am so very sorry to hear of her passing and know that her birthday this year will be very hard on her husband and family members. You are in my prayers.*

“ *Steve, my mom and I are so very sorry for your great and enduring loss. We just saw notice of Anne's passing on FB. We are just starting to come to from my dad's passing on January 22 and saw Anne's obituary. We are so deeply sorry and we are praying for you. Anne was always so "up" and hope filled. Such a fighter! And she always bragged about what amazing care you took of her. May you find comfort in the wonderful love you shared.*
Rest In Peace my friend.

“ Oh, Billy, I was so stunned and saddened to read this in the "Vicksburg Post". (My first thought was of you.) I am so glad you posted it in the Vicksburg paper, because I doubt I would ever have known, unless I should run into Glenda. We were friends for a very long time, up until your Dad passed and our friendship ended. I regret that we did not mend those fences while we still had the time. She was a true friend to me, Billy, for which I will always be grateful. That is a great picture of her, a beautiful image for me to remember her as.

My sincerest condolences to you and to Steve.

Love,
