

Anne Richardson Lee

January 29, 1948 - July 8, 2023

Anne Richardson Lee, who resided in Alpharetta, GA, went to be with Jesus on July 8, 2023. Anne was born on January 29, 1948 to Sterling Richardson and Anne Richardson in Atlanta, GA. She attended Mary Baldwin College in Virginia and majored in Political Science. While working for a Senator in Washington, DC, she went a blind date with Aubrey Lee (later Senior 😊). After an unforgettable night “painting the town,” they went “steady” before marrying on July 29, 1972 - happy 51st anniversary! Anne and Aubrey lived in Richmond, VA and then Springfield, MA before heading south to Macon, GA. They finally settled in Alpharetta, GA, where they raised their 3 children: Anne Tucker Ford (John), Sterling Norris (Matt) and Aubrey Lee Jr (Jamie). Anne stayed home to raise her children when they were young and simultaneously ventured out into entrepreneurial opportunities such as a blind consulting business, and a shoe-bow business called “Twinkle Toes.” Eventually, Anne established a career as an administrative assistant at Chattahoochee High School and then Milton High School. There, her bright smile and infectious joy for the Lord was poured on those she interacted with on a daily basis.

While Anne enjoyed hobbies such as sewing and gardening in her earlier years, her all-time favorite past-time was spending time with family. After her relationship with the Lord, her greatest joy was to be surrounded by her family. “Millie”, as her grandchildren affectionately call her, has 8 grandchildren: Anna-Kate (13), Liza-Grace (9), Adeline (7), Caleb (whom went to be with

Jesus when he was 3 months old), Emelia (6), Toby (5), Abigail (3) and Oliver (2). Millie loved hearing all the chaos, love, and laughter at family gatherings. She loved singing songs, rocking grandbabies, and taking her grandkids on infamous shopping sprees to Target. Anne will be sorely missed and loved by her husband; children; grandchildren; and siblings Sterling Richardson, Jr. and Gene Rowe. She will also be missed by countless nieces, nephews, cousins, and friends. Anne never knew a stranger! Anne imparted God's joy, love, and laughter with those she interacted: close family, students and faculty at her school, people who served her food, or perfect strangers. She is a beautiful light that continues to shine. It is our hope we will follow her example and continue to shine in her absence.

Welcome to a scholarship fund to honor the memory of Anne Richardson Lee. Anne was an administrative assistant at Milton High School for 25 years. “ Grateful for the love and energy Anne Lee gave my children while they were students at Milton. I have the honor of working at MHS and being co worker. The smiles, laughs, and stories that we shared will be forever cherished. Anne Lee would get a kick out of me wanting to take “selfies” with her! We cracked up when she would also wave at our reflection! Love and prayers of healing for her precious family and friends. Praising Jesus for the impact Anne Lee had on so many. With love and respect, Bridgitte Hatfield

“ My condolences to Anne's family and her extended family of friends. It was a blessing to spend over two decades working and being friends with Anne, at both the old Milton and the new Milton High School. There were many chapters in her life, and in my life, that we leaned on each other for moments of comfort and lifted each other up as coworkers, mothers, and wives. We encouraged each other. Life is a journey of many chapters and I'm personally grateful that Anne and I bonded over the ups and downs through the cheers and tears. Anne is very loved! She will always be loved! I take comfort knowing she is peacefully in the Heavenly glow and embrace of infinite love of the Devine creator.

“ *First and foremost, our sincerest condolences to the Lee and extended family. I have many memories of this wonderful lady knowing her for over twenty years. From the first day of my interview for a teaching position at Milton HS, being the calming and engaging voice that helped me deal with my anxiety and nerves, to being there for the life changing events of starting my family each time, to attending my brothers funeral after a sudden unexpected passing, and many many more smaller moments of conversations, jokes, and sometimes tears from life's events, she was always there supporting me with positive words and encouragement. Anne Lee, you are as they say "one of a kind", and I will never forget you and you will always be my buddy! Love, N. Pak.*
