“ *Just wanted you to know Ron, that I enjoyed getting to know your mother. I visited your Mom with Deborah Hall at the nursing home until I moved to Lakeland, Florida, in March of 2007. She was certainly a remarkable woman and we both enjoyed our visits with her. I always left feeling better than I did when I got there. She always had a smile on her face and I remember the last Christmas I visited with her, singing with her the old Christmas hymns. We talked about our common love of music and she always wanted to hear about my five grandchildren. Miss Anne will always hold a special place in my heart. Know that I will keep you and your family in my thought and prayers during this time of loss.*

Best Regards,

“ I'm so sorry to hear about Anne. She was such a delight in my life. I visited her regularly at the nursing home. She always brightened my day and made me smile. She loved flowers and told me Heaven would be full of flowers. I had many opportunities to pray with her and she prayed with me. I thank God, I got to know her while in this world. I know she no longer suffers and is in the arms of her savior. God bless the family and may God bring you comfort during this difficult time. Love, Deborah##imported-begin##Deborah Hall##imported-end##
