“ *Mrs. Parsons had a contagious smile. She was always fun, lively and full of love. My favorite memories of her include walking home to Ellen's house after school and stopping by to see her at the office in Alpharetta. No matter what, she always stopped whatever she was doing and was genuinely thrilled to see me and Ellen.*

You couldn't be in her presence without smiling. Later in life, she always greeted me with the same, beautiful smile and love. Whether it was a happy event like my wedding or hard times like my parent's funerals, she gave me that loving, supportive smile. She was such a special lady.

Prayers for the family during this time of loss. May you be comforted with the memories of her love for you all.
