“ I will miss you ACC. Anthony always greeted me with a smile and then a laugh – Always! I worked with Anthony for 17 years at EARNEST Partners. He was a caring soul who loved people, had an eye for the details, could remember small accounting facts from years past, and wouldn't let something go until it was complete. Rest In Peace my friend. You will always be remembered; I will think of you every time I watch the Braves, every time I find a new “best” restaurant (especially Italian ones), and every time someone sends me 5 text messages about the same subject before I even respond to the first message:). To all his family that I never met – but he always talked about, know that he was loved at work and we will miss him dearly. - Patmon Malcom
