“ *I knew Tony in the mid 80s in IBM accounting. Tony was very kind to me and always pleasant, especially when I was a newbie in 1984. In the 70s and early 80s he worked for my father-in-law, Joe Conboy, also in IBM Accounting Services, in those days located on Northside Parkway, now home to North Atlanta High School. I have nothing but good memories of Tony and send my sympathies. Just heard of this late tonight or i would have tried to make it by today. You are in my prayers. Steve Kosmala*
