“ My heart is breaking for you, Anna, for the pain you are going through in losing your Daddy. I have been thinking of you everyday. It was difficult to hear of his slow decline in health in the last few months. You have been so good about keeping everyone informed. Your Dad was such a special man and will missed beyond words. Please give my condolences to your family and especially to Alex and Joseph. You are in my prayes.

“ Anna, Joe, Alex and Joseph,

*What an Awesome and Loving God we have! He knows the number of our days and He decides when we return to Him. That He chose such a Holy Day for Uncle Tony (the Elevation/Exaltation of the Cross) is a foretaste of God's love for EACH of us.*

*What a gift we have in our Faith! Glory be to God for all He does for us!*

*My Dad, your Uncle Steve (Stavros, whose Nameday was the same day), now has more company with him in heaven as he greets Uncle Tony. Maybe together they can pray and intercede for the Braves! Now maybe they could start winning some games! I know watching the Braves was their favorite passtime together!*

*Please know that we love you all and feel the pain of your loss as it only seems like yesterday that Dad passed on and there isn't a day that goes by that we don't think about him.*

*We now will miss Uncle Tony as well and we are thankful for the happy memories we have.*

*God bless you all and KEEP THE FAITH!*

*Love in Christ,*

*Anna (and Family)##imported-begin##Anna Pelky##imported-end##*

“ You will be missed as much as you where loved. I met you as a proud grandparent watching and supporting Joseph be the aggressive hard ball player that he was. You would almost come out of your wheelchair when Joseph got a hit or made a spectacular or unspectacular play. Your pride as a grandfather I personally feel now and duplicate as your example showed me. Your finest hour was being the father to one of the most wonderful daughters God could bless someone with. Anna's love and care for you thru good times and bad is a true testament to the love she felt from you. God has welcomed you home, and we mourn your passing but more importantly we applaud and cheer your life. May God bless you and keep you, until we meet again. Your friend Bob Rivera and the entire Rivera Family.##imported-begin##Bob Rivera (Super)##imported-end##

“ *Daddy.....*

*How do I say goodbye? How do I suddenly not be "daddy's girl" anymore?*

*I miss you....I love you...but I know that God has you with him now and you are pain free and looking over all of us.*

*You were the best grandfather to Joseph and Alex that we could have ever been blessed with.*

*I love you daddy!##imported-begin##Anna Tarabicos Moss##imported-end##*
