“ Growing up we spent almost all holidays with our Nilsen cousins in Brooklyn, Rockville Centre and Wurtsboro. We kids shared the children's table and hoped to graduate to the grown-up table. At grandma and granpa Nilsen's we played on the porch and did puzzles in the dining room. Arthur was one of the 1946-47 kids and there was always fun and games with such a large family. Although distance came between us I could always count on and I've the special holiday cards from Arthur. He will be missed
