“ *Dear Saunders family,  
We were fortunate to meet your sweet Audra a handful of times. I'm sad that Covid kept our visits to Atlanta shortened during the pandemic and we didn't get to see her more often. Our grands, Maddie and Macie, adored her and all of the Medinas thought of her as part of their family. What a blessing Audra was for them:)  
To Audra,  
Rest easy beautiful Angel and watch over all that are missing you so until you are reunited. Thank you for taking such special care of our girls. They are missing you so much. Please help all that are hurting during this difficult time. 💖🙏

“ *I remember Audra when she was a little girl. When Brent and April would come over for a BBQ, Audra and Livy would play with Madeleine and Anthony, our two children. I remember Audra hoping that one day she might marry Anthony. She was beyond adorable and my heart is broken. I can't even begin to imagine what Brent, April, and Livy are going through. My thoughts and prayers are with all of you. May God Bless you!*

Audra was one of the kindest souls we have ever met. I remember her always asking how we were and being interested in knowing our lives. She had many people who loved her and I know she knew that. She will Rest In Peace and be free from her burdens and we will look forward to seeing her beautiful smile once again. So much love to you Brent and Livy. She will be missed dearly.

“ Audra was a friend to me that held such a special place in my heart. She helped me through tough times in my life and brought the light when I saw darkness. She was a role model to me and always had a smile on her face. She was always there to listen and always knew the right things to say. She was quick to help when she knew you were in trouble or needed a hug. I am so happy I had the privilege to get to meet her and spend some of the most memorable times in my life with her. I will miss her dearly and will never forget the loving and caring soul she was.

“ Audra was an incredible person. She nannied for the family next door and we often got to talk and visit. I really got to know her during the lock down as the children would play together during the day and we would sit and chat. She was a beautiful soul and touched the lives of many children in our neighborhood. We will all miss her deeply and I hope that her memories can bring some comfort and peace during this difficult time.

“ Audra was someone who I could always count on to be there and listen when needed. She’s always been someone I’ve held close to my heart and has been one of my longest friendships alongside Livy. She was a role model to me growing up and I’m so blessed to have known such a beautiful, kind soul. I will miss her dearly and she will always be the big sister I never had <3

“ Audra was quick to give a hug and always asked thoughtful questions of others. I could tell she genuinely cared for others and wanted those around her to be happy. She always made time for her cousins when we were around and Maggie was especially fond of her. She had the prettiest smile that warmed my heart when I saw it. May her beautiful soul Rest In Peace.
