“Avis will always have a special place in my heart. Trips to Daytona Beach were filled with playing in the ocean, looking for shells on the beach, playing in the pool. At night it was shuffle board and swinging on the Hugh swing. I always loved visiting her and JL at there house. Her infectious laughter will always bring a smile to my heart every time I think of it. There are so many wonderful memories but not enough room to share. She was a strong spirited person which made her who she was. I will always love her. Praying for Gods comforting spirit for her family.
