“ Avnita had a wonderful soul. From the minute I met her, I felt a bond with her. I knew her a very short time, but I will never forget the hours we spent talking. I knew, after that first encounter, that she was unique and special. She was an incredible, beautiful person, inside and out. My heart aches for her family. This is horrible, a tragedy that should never have happened. To see such a light snuffed out before her time is such a sad thing. My heart goes out to her family and friends, you all are in my thoughts and prayers.

“ My Dear Friend Rani,

You and Sonny are in my thoughts and prayers. I do not know how to express what I want to tell you. You, my dear friend, have endured much, know that you have a friend who cares about you.

Time Rani, it will all take time, and when you are ready to share time together know I will be here for you.

If there is anything I can do for you and Sonny I am only a phone call away.
