“ *I am so thankful I was able to meet and get to know Barbara when I first moved to Alpharetta. She welcomed me and my kids with open arms and was always so happy to see me with my three kids in tow. My favorite story (when she found out that my husband and I were sharing a car at the time) was about a car you two owned that didn't ever reverse - or maybe it just reversed. Ha! It made her laugh pretty hard, which made me laugh, too. She was a beautiful person inside and out. I am so happy that I was able to know you and Barbara upon moving here. Big hugs from Megan, Liam, Amelia, and Maddy Donnelly*

“ *Tom, Kim & Family,
Bill and I were so saddened to hear of Barbara's passing. When we first met her at Prince of Peace she was so welcoming and friendly. She had such a gift to make everyone feel loved. What enthusiasm she had for God, her family, her friends and her work. God has surely received a beautiful angel. I know she will be missed by so many people. God bless you all.

“ *Barbara will be dearly missed by her Martin's Landing friends & neighbors. With her exuberant, delightful nature, she brought joy wherever she went. If she saw you in the yard, she would stop her car to compliment you & share a quick, friendly conversation. She was great fun. We send our deepest sympathy to Tom & the family.

She was my angel on earth so optimistic and joyful. I did not know her as well as I would have liked but she prayed for my family daily, especially my grandson. We kept in touch through my sister, Karen and I truly loved this amazing woman.

Deepest sympathy to Tom and Kim, along with all her family. God be with you and give you peace

*Tom,
Darrell and I will always remember meeting up with you and Barbara in Ireland! What a fun evening that was with your family. Barbara was a very welcoming person and I appreciated her loving compassion. I will miss her friendship. So sorry to miss her celebration of life. We are in Minnesota where I celebrated my birthday on July 21 with our son John and family. Thank you for your birthday greeting. I will always remember Barbara on that day. Rest in Gods peace.
