“ *KayKay you made me laugh and that made me think about Nanny's laugh. I can hear it now and that is such a good thing. Remember we had to fight Rebekah and Niki for that corn too!*

So many memories and so many happy times at Nanny's house...A special thing (to me) about this family is how easily (and often) we laugh when we're together. That's why all the memories are happy ones. I love you all--cousins and aunties and cousins' kids and all who are here and all who've moved on...

I love you Nanny. And I know now just how true it is that "wouldn't none of us be here if it wasn't for you".

“ Jacque & Joyce, I am so sorry to hear about your Mom. I have many happy memories of her when Jacque and I were in high school. She was always so sweet to me, and treated me like one of the family. You're in my thoughts and prayers.##imported-begin##Becky latesta##imported-end##

“ Nanny, I will never forget you. You were the absolute best grandmother anyone could ask for. I loved the twinkle that was in your eye almost constantly...you were such a flirt and everyone loved being around you. I want to thank you for always being there for our generation (your grandkids...me, Kevin, Keith, Donna, Stephen, Tony and Tonya). Thank you for all of the wonderful meals you made for us during the holidays (especially the corn that Donna & I always fought to get!) Thank you for hiding all of those eggs in your yard every year at Easter. Thank you for making us all laugh with the way you would go "Hmmmph!" and "Pishhh" behind your newspaper everytime Papaw's stories got a little too farfetched. Thank you for the socks, sweater clips and underwear that you gave us for Christmas. Thank you for yelling at us constantly to "get out of the pine tree" and to "get away from the road" and for telling us a hundred times to "stay out of your Papaw's shop". I have so many wonderful memories of you and I will treasure them always. Enjoy your time with Papaw, Aunt Carolyn, your Mom & Poppy, Aunt Evelyn, Tar Baby, Buzzy, BJ and Tweety Bird and know that we will all be together again someday. Until then, I love you
Nanny.###imported-begin###Karen ("Kayte")###imported-end###

“ Nanny, (as I have know her as for the past 24 years), Was the most kindest person I have ever known. She could make you laugh and cry at the same time. That followed through to her daughter Jacque, then to her children and grandchildren. I happen to be the mother of one of Jacque's Grandsons. I feel blessed to be a part of this family. As for our Son, Gregory, he is currently stationed in Iwakuni, Japan, (USMC) and unable to return home for the funneral, but his prayers are with her.###imported-begin###Cyndi Fetterhoff-Kennedy###imported-end###
