“ I remember the marriage retreats Barbara would lead with Joe. Many marriages are stronger because of them. I also remember Barabara sharing with us about keeping a prayer journal. She shared with me about her recording her prayers for us to have a baby. She also shared when she gave praises to God for those prayers answered with my precious baby girl. Through her life, she taught me what it is to live the Christian life and serve God through the daily activities that He ordaines. May you feel the peace of Jesus during this time.
