“ *Barbara and I worked together for years at the bank in Alpharetta. She was one of the most precious ladies I ever met. Always had a smile and kind words for you. I am blessed to have known her. My sympathy and prayers to her family.*

“ *Barbara and I both attended Milton High School and graduated in 1967. We had English class together. I remember Barbara as sweet, kind and quiet, never causing any trouble. Unfortunately, I was not able to attend many of the Sassy 67's luncheons when Barbara attended. I'm deeply saddened to learn of her passing. My thoughts and prayers go out to Barbara's family. May God grant you peace in this difficult time.*

“ Barbara and I graduated Milton together. She was always so sweet and quiet and kind to everyone. When we reconnected in our Sassy 67 group of classmates she often talked about her children and husband and how good life had been. Her beautiful smile was a testimony of her happiness. She will always be remembered fondly by her friends and will live on in the hearts of her loved ones. Praying for the Pickren family.

“ Barbara was a wonderful friend to my parents, Glenn & Katherine Wilkie. She was a kind and caring woman. We graduated from Milton High together and often sat close in class since our last names were so similar! She was such a southern lady...soft spoken, kind, caring, loving, and family oriented! She loved Wayne and her kids very much. She will definitely be missed, but her spirit will live on.

*Barabra was a very good neighbor and friend. I got to know her and Wayne much better after my husband died. Every summer she and Wayne were always so gracious to share produce with me from their garden. I enjoyed many visits with them in their home, and I will miss our talks and her sweet, kind spirit.*
