“ *Dear Paul: So sorry to hear of Barbara's passing. She was a very nice lady and a hard working one. The last time I was at your home, you were putting up pear preserves together and you will have a lot of memories..I will not be able to attend visitation nor the funeral, as I have been under the weather and need to stay in a while longer. God Bless You.. Peggy DeVore*

So very surprised to read Barbara's obituary notice just now in the Sunday paper. Barbara was very dedicated to her family and was very good to attend family deaths. We are very sorry that we will not be able to attend the funeral since hearing about her at this late time . We have many fond memories of Barbara at family reunions with her mother. We are very sorry for your loss. You are in our thoughts and prayers.
