“ *Benny was a good fellow! Although it has been many years since I have seen him... I remember him as a kind, warm-hearted, caring individual. I knew him through the real estate business and the good old days when things were less complicated in the business. May the family be comforted during this time of sadness and know he is at peace now.*

“ Benny and I were basketball teammates in high school. He was such a fun guy who loved to pull pranks. He was waiting for me one day at my locker with a big smile on his face. When I opened my locker it was on fire. He will be missed. Benny and his family will be in my thoughts and prayers##imported-begin##Jimmy Wall##imported-end##

“ Susan,
We were so sorry to hear of your loss. Please accept our sincere condolences and may your strength continue.
The little Irish poem "Death leaves a heartache no one can heal, love leaves a memory no one can steal." might say it best.
Talk with you soon and please know our thoughts are with you.

“ I feel privileged to have had the opportunity to meet Benny last summer, but to know him more through the heart of his daughter and my friend, Melissa. Their relationship was very special, so I know this is a very difficult time for her as well as it is for the rest of the family. You are all in my thoughts and prayers.

All my love,
