I am shocked and so sorry to hear of Chip's passing. He and I rode the same school bus for six years. He was always smiling and kind. May the Lord comfort your hearts as you remember him. Blessings, Sandy Salter Mahar

“ *My best friend - life will never be the same without you here. Thank you for all the wonderful memories. We understood each other in ways no one else will ever be able to understand. We were supposed to grow old and sit in our rocking chairs reliving all the wonderful photographs we loved taking. You made life fun. Part of me went with you.*

“ *It is a tragedy when someone so young passes away. Chip was a fine person who truly had a legion of friends who will miss him greatly. If you keep him in your heart and mind he will never go away.
May his family find the strength to get through this difficult period.
Rest in Peace, Chip.*

“ *While I hadn't seen Chip in year, we talked quite a bit on Facebook and shared memories of growing up together in Mt. Creek Subdivision in East Cobb County, GA. Chip was in the boy scouts a while with me, but we used to spend more time together at the pool playing Marco Polo or just fooling around and having fun. I remember his two dogs that use to scare me to death almost everyday at the pool because Chip lived right next door to it. We also went to Lassiter High School together. I will certainly miss his sense of humor that was often cutting and funny at the same time. Just can't believe he's gone from this earth right now. My condolences to his family.*

I am shocked to hear of Chip's passing. It seemed like yesterday we were talking over Facebook together. His Grandmother was my Aunt Velza. He was a delightful young man, and I enjoyed hearing from him often. My love to his Mother, family and close friends. I will miss him very much. Chip was a very kind person, and always had something kind to share. Love you, Cousin Vicky

I am so sad to hear of Chip's passing. I also worked with Chip at Pine State for a couple of years. His humor got us through some of the rough and busy days. He found me on FB and we caught up. My heart is broken for his family and friends. Rest in peace, Chip. Prayers for your family.
