“ *I have so many wonderful memories of my aunt. One thing that really stands out in my memory is when she would greet you in her home with a big smile and take you directly to her kitchen that was swimming with wonderful smells of her southern home cooking. She amazed me as she would work her magic effortlessly with foods from her garden and pantry. She always had a huge feast to fill our stomachs and to warm our hearts. And she was my mom's best friend. I loved hearing their giggles together as they would tell the same stories throughout the years. I'll always love you Bernice.*

I remember the first time I met Bernice. I was new to First Redeemer Church and came in alone for a service. I had been praying for a friend and saw Bernice, sitting alone too. I asked her if I could sit with her and she said she would love it if I did. We connected that Sunday and were deep friends ever since. She loved her gardens, her children and family, the Lord, and even when our paths parted later, she came up with her daughter, Joy, to visit with me in Lancaster County area, PA with her friends. I am looking forward to being with her again, in heaven! Ruth Andrews

My husband, O.M., and I were blessed to meet Bernice a few months ago. Jimmy had invited us to join them at a FAMILY get-together. We had something in common - since she once was a resident of Mitchell County, GA, Camilla area. I grew up in that area - Southwest GA. Wish we had gotten to know her much better! Irma Carr
