“ *I am a very distant relative and am praying for the family. Our Mom Ada Phillips Pendley also lived to almost 101 liking 2 months. I remember her talking about Bertha Cook. So we are thinking of you today even though we can't be there. With our love from the Pendley Family - Betty, Bonnie & Jerry.*

“ Granny Cook, you was always a ray of sunshine in everybodys life, such a sweet soft kind voice, and a warm welcoming heart for everyone. You will be missed so greatly , but we rest assure knowing you are Home now. My love goes out to the family, as my prayers are sent your way for peace in your lives as you go through this, and as your minds slowly accept that Granny has finally made it home with her lord and savior. May God be with each of you and calm your minds and fill your hearts. My Prayers and Love to you all.

“ *Lots of great memories with this sweet, loving and caring aunt. Aunt Bert always had a smile and a hug for you every time she saw you, no matter where we were. Loved going to her house to see Penny, her dog. I remember the beautiful picture window that you could watch the lake from. And her doll collection that was like no other I have ever seen. Enjoyed the lake and fishing with my Dad there many times. Every time we came through Alpharetta we had to stop just to see Aunt Bert and Uncle Clarence at the shoe store, even if we didn't need anything. Aunt Bert drew my name three years in a row for Christmas at Grandpa and Grandma Garrison's. I still have a purse necklace and a silver bracelet that I will be passing on to my daughter. The third gift was a tablecloth to embroider. The tablecloth has since been worn out, but served me well and with many memories every time I saw it. Will carry loving memories of her and her infectious laugh with me the rest of my days. Sweet rest Aunt Bert until we meet again.*

“ I'm beyond blessed to have had this beautiful woman in my life. Most people don't ever get to know their great grandparents. I was lucky in having her. One memory that sticks out the most is from when I was a child. Big Granny always let me borrow a couple of dolls every time I came to see her. As long as I returned them, she would let me borrow a few more. In recent years, we made memories of her opening a new doll every birthday and Christmas. On our last visit, mom and I helped her put together a little miniature tree house kit. She loved helping put it together and was so happy when it was finally put all together. I love and will miss you Big Granny.

“ To the Cook family; Just want to express my condolences to the family for your lost and to share some words of comfort from Gods word. At Revelations 21:4 Gods word promises that very soon death will be no more. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”Very soon all tears and sorrow will turn into tears of joy for this is Gods Promise for us.May God give you strength now and in the future as you cope with the death of your loved one.

“ *My entire life is surrounded by memories of my granny. From a little girl, playing in her sewing spools, to living with her in her home in Alpharetta and sharing lots of love and hugs, and the many many many visits over the years, celebrating each and every birthday and especially the last 5 years of sharing my scrapbooks with her and Natalie and I making her laugh with silly pictures and new dolls along the way! Granny will live forever...right here in my heart!*
