“ My memories of Bessie go all the way back to Watson Blvd when Grandma would take Tammi and I over to play with the kids. Bessie always made me laugh - and boy did she pack a wallop !! What fun it was whenever she was around. When we finally got the family reunions going again she was at the forefront of the meetings. I will miss her distinct voice, her mezmorizing smile and her love and devotion to the Battaglini family as a whole. We were all on a bus returning from a marching band trip to Toronto when Tammi called me to tell me the news. I sat there on that dark bus for a few minutes after I hung up and then started to cry. I will miss you so much Bessie - you were an inspiration to us all.

Our thoughts and prayers are with you. Sue and Bobbi--your mom was very special! We will always remember the Battalini bread and speadie (Lupo's, of course) sauce. Mostly, we will remember Bess's smile, warmth, jubulance, and love of baseball. Bob--you are a part of our family. “ Bessie was a one of a kind who always gave me grief, yet took the harassment I gave her in stride. I have only great memories of her and loved her dearly. But now I know she's in heaven looking down on us, and probably playing a round of pool with my grandmother who was probably waiting for her at the gate! Nobody could make me laugh like Bessie...and she didn't even have to try. Watch over us now, and keep us all safe. And most importantly, party with us on Saturday! I love you, and I will miss you more than you can imagine.##imported-begin##Tammi Kimsey##imported-end##

“ It is always a hard time when a much loved family member joins the angels above to watch and protect over us instead of being here with us.

We are so grateful that we were able to come home and see Bessie a couple weeks ago, and see that beautiful smile one last time and hear her charm and wit once again! She will be greatly missed. We're so sorry for your loss and hope you know that we are praying for you during this time. She's in a better place and is no longer in pain. Now she is smiling down on us all.

Please know we are hear for you and love you dearly. After all, we're all family and family sticks together! God Bless you during this time and find strength knowing she is with the Lord above and we will all get to see her again someday! Love you guys! Hang in there.##imported-begin##Nicole and Christian Ritter##imported-end##
