“ *Betsy Bob was one of my favorites at First Baptist Greenville, how I loved her sense of humor! Keeping all of you in prayers.*

“ *Oh my goodness, Mrs. Miles is a fixture in my childhood! She and Mr. Miles were tireless in their work to help children know God, the Bible, and to develop spiritually. Their influence is still with me today. How I loved the Miles. My deepest sympathy to Mary Beth, Candace, David and their families. - Debbie Barton Felts*

“ *Betsy and I worked together on a flower committee at First Baptist Church Greenville. She taught me how to arrange flowers as we had fun sharing stories. I enjoyed her great sense of humour. May God bless each of you as you remember her .*
