“ Brittany,  
Our hearts are with you right now during this painful time. Although we never was honored to know your Grandma. Just know that your Grandma was proud and loved you more than you will ever know! She will be looking down from Heaven on you now and telling all the other Angels " there's my Baby". She has no more Sorrow and no more Pain, and she will forever be in your heart! So when you feel sad, know that she is right that and forever will be. Remember all your fun times together, that no one can take away! That will forever be yours and your Grandmas.

We love you,
